**Prospects Bright for 1910 Club.**

When the sound of the bell assembles the members of the Paris Base Ball Club together to begin their preparations for the struggle of the season of 1910, several new faces will appear among the number and three of the men who figured prominently in the game last season will be missed. Dugger, Elgin and Ochs will be the three men who will sever their connection with the Paris club and advance to higher clubs in the base ball profession.

When Dugger left Paris at the close of last season, several exhibition games in which he participated, attracted the attention of the management of the Evansville club, and, coupled with the record he made while a member of the Paris club, were the principal factors in securing him a berth on that team which is a member of the Central League. Dugger figured in 86 games, batted at 243 and fielded at 974.

Paris sustained another great loss when Fred Ochs, the clever center fielder was drafted by the Norfolk club, and later sold to the Rock Island, Ill., club, which is in the B class and another step higher in the profession for this clever little player. Ochs led the Paris club in batting last season with an average of .288. He participated in 112 games and had a fielding average of .976.

The third member of the Paris club who is to advance to a higher league is Jeff Elgin, who has been released to the Dayton, O., club. Elgin was last season signed by the Dayton club, but when he took up the task of soliciting subscriptions to put the Paris club on its feet, the management of the local club engaged his services from that club, with the proviso that he was to be returned to them when his services were needed. Now that Punch Noonan has assumed the management of the Dayton club he sent in a call for Elgin with the result that he was released to them and will be seen in a Layton uniform next season.

One of the best men drafted to higher leagues, the management of the Paris club is scouring the country for new men to fill their places, and up to this time five have been signed up by President Bacon, three pitchers, one outfielder and one catcher. George Bellbougge, of Cincinnati, will be here next spring for a tryout behind the bat, and Quay Franklin, who will come all the way from Oklahoma, will be tried in an outfield position. Frank Edington, of Indiana, Leslie Penneyne, of Cincinnati, and Sim McElfresh, of Venona, Ind., are new sal. men to be looked over by the Paris management.

Edington and Penneyne have never before been signed up to play professional ball, but last season McElfresh was signed by Paris and was one of the first pitchers to report for duty. It being his first trip away from home to stay for a lengthy period, he soon became afflicted with homesickness and tried himself away to his Indiana home, but instead of suspending him the Paris management held to the string they had on him and the next season he will return to the camp of the Bourbonites. He is a young man of fine physique, and is regarded as being a possible contender for a berth on the pitching staff of the Paris club.

With the number of players that have been retained by the Paris club, the management has the nucleus of a strong team which with a good start at the beginning of the season, will be a lively contender for the pennant of 1910. In regard to the prospects of a fine team for next year President Bacon says: "We are going to have a playing club next season that will eclipse the club of 1909. Although we lost three of our best players we are scouring the country for new material and hope to have an abundance of it before the season opens. At all hazards Paris must have a winning team and nothing at all is likely to stand in the light of this venture of the Paris management."

When the spring season opens the local management will begin the improvement of White Park by the enlargement of the seating capacity of the grand stand and bleachers. The recent purchase of 3 lots adjoining the park makes this possible and the large crowds which attend the games last season gives an attestation to the necessity of such an improvement.

As a small indication of the expense the Times is going to in getting out this Twenty-Fifth Anniversary Number, it may be stated that the actual cost of the white paper alone used in one paper is about five cents.

If there is an agent in this town, order the paper from him at once, for delivery day of publication. If there is no agent, send your order direct to the Times, with remittance for one or more copies.

**Cures Dyspepsia; Trial Is Free**

It is a popular mistake that only wealthy people who eat rich and highly-spiced foods suffer from dyspepsia, or, as it is also known, indigestion. The laborer in the street, the worker in the field also finds himself a victim of this disorder. Among the very greatest sufferers from it are women.

Dyspepsia is indicated by a constant feeling of laziness, by loss of appetite and troubled sleep; by sour stomach and distress after eating; by bad complexion and lusterless eyes.

There is no surer and speedier cure for this trouble than Dr. Caldwell's Syrup Pepsin, which dyspeptics have been using successfully for twenty years. This great herb-laxative compound cured Capt. Clark, of Buffalo, N. Y., of dyspepsia and sour stomach that he had had for forty years, or until the lucky day that he heard of Dr. Caldwell's Syrup Pepsin. It cured Joel Adams, of Montgomery, Ala., after suffering continuously for sixteen months. These are only a few of the many. But it is not expensive to be cured with this grand remedy, as it can be bought at any drug store in a 50-cent or \$1 bottle.

Your very neighbors are probably life-long users of Dr. Caldwell's Syrup Pepsin, but if you want to know without expense what it will do for you personally, send your name to Dr. Caldwell and he will be glad to send you a free trial bottle. He is actually anxious to have you make a test of his remedy.

Thousands of families everywhere keep it in the house against such an emergency as constipation, sour stomach, indigestion, biliousness, dyspepsia, heartburn, torpid liver, etc., which may come on a member of the family any day. It is pleasant to the taste, acts gently and does not gripe. It is the great children's laxative tonic.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell bldg., Monticello, Ill.
